Posit Cloud Instructions

Data Visualization Using R in Undergraduate Macroeconomics

Want to start using the **ECODATA** R package **right now**? Live on Posit Cloud!

1. Login / Create Posit Cloud account at https://posit.cloud

2. Create your own copy of the *ECODATA Exercises* project by following:
   https://posit.cloud/content/9084731

3. Click `+ Save a Permanent Copy` (top-right corner) to save your own copy

4. Login / Create FRED account at https://fred.stlouisfed.org/
   (click *My Account* at top right)

5. Get your FRED key at https://fredaccount.stlouisfed.org/apikeys

6. Copy that 32-character key and in the Posit Cloud console, set the key:
   `ecodata::ecodata_set_fredkey("abcd1234efgh5678ijkl9012mnop3456")`
   (insert your own 32-character key, this one won't work)
